

Music. Identity. Independence.

Independent artist, label and apparel platform.

ALIEN ME · Artist portrait

ARTIST OVERVIEW

Songwriting comes first.

ALIEN ME brings music, visual storytelling, apparel and direct audience connection together under one independent platform. The project began with songwriting and a fascination with how emotion translates through sound. Genre serves the song: rock, alternative, rap, country, pop and experimental forms inform an approach built around craft, honesty and expression.

Written with intention. Built around the listener.
